

# GOLDEN DRAGON

- Pan Asian Bistro -

Before the 1940's, the people of Asia greeted each other by asking if they had eaten yet. It may seem an odd thing to ask, but it sums up the Pan-Asian way of life which revolves around enjoying and sharing delicious food.

Each dish is prepared to order using only the freshest, high quality ingredients. We use meat that are hand-trimmed each day in our kitchens. Our dumplings, wontons and spring rolls are all crafted by hand daily.

At Golden Dragon, we aim not only to bring you authentic Pan-Asian cuisine prepared by real Asian chefs, but also to make it simple to order and enjoy. We promise a gourmet experience offering culinary creations inspired by major regions of Asia.

The key ingredient to asian food!
